Counsel,

Per our discussion during the meet and confer last Wednesday, I am attaching NSR's first set of search terms. Please note that these initial terms are targeted at only some of the discovery requests issued by CSXT to date. NSR continues to refine additional terms targeted at other discovery requests issued by CSXT, and will share those additional search terms when they are ready. Please advise if you have any comments or concerns about NSR's first set of search terms, or would like to schedule a meet and confer to discuss further.

Regards,

MONICA McCARROLL
